

Certificate of Registration

INFORMATION SECURITY MANAGEMENT SYSTEM – ISO/IEC 27001:2022

The Certification Body of Prescient Security LLC hereby certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2022.

Abby

223-225 Avenue du Général Leclerc 54000 Nancy, France

for the following scope of registration

The scope of the ISO/IEC 27001:2022 certification is limited to the Information Security Management System (ISMS) supporting Abby's cloud software solution, enabling users to issue invoices, manage expenses, track cash flow, generate accounting reports, and comply with local tax regulations, including e-invoicing obligations in France. The scope also includes the infrastructure hosted on Amazon Web Services (AWS). The following departments are part of the scope: Executive management, Engineering, Product, Customer support, Administrative functions, Information security, and Marketing department.

This is in accordance with the Statement of Applicability version 3.6, dated September 28, 2026.

CERTIFICATE NUMBER: 123418 (Issue 2)

Original Issue Date | August 25, 2025

Latest Revision Date | September 30, 2026

Valid Until | August 24, 2028

This certificate remains valid subject to satisfactory surveillance audits.

This certificate is valid only when read in conjunction with the annexure, which forms an integral part of this certificate and provides details of site / location covered under the scope of certification.

This certificate was originally issued by Gradient Certification Inc. and has officially been transferred to Prescient Security on September 03, 2026.
